

## Summer Workshops

### Summer photography workshops for adults (16+)

#### Photographic Ramble

A Photographic Ramble with landscape photographer Marc Arkless, photographing stunning locations along the Glamorgan Heritage Coast. A day full of insights, informal tuition and discussions about all things photographic and beyond! Exploring the area around Merthyr Mawr Village, we'll head for the world famous sand dunes, crossing the river Ogmore via the stepping stones to Ogmore Castle where, weather permitting, we'll stop for a picnic, so please bring your own food. We cannot guarantee glorious weather but we can guarantee a fun day out! (tripod recommended, but you will need to carry it)

**Date:** Sat 17th July  
**Time:** 10am - late afternoon  
**Tutor:** Marc Arkless

#### Getting to Grips with your Camera

New cameras are often an exciting prospect but can also be a daunting one due to the complexity of the camera and the realisation of having to wade through pages of incomprehensible instructions. This course is aimed at deciphering the jargon through practical assignments, giving you the opportunity to put into practice what you learn while obtaining maximum use of your film or digital camera. No experience necessary.

**Date:** Sun 15th August  
**Time:** 10.30am - 4.30pm  
**Tutor:** Faye Chamberlain  
**Location:** Chapter, Market Road, Canton, Cardiff, CF5 1QE  
**Price:** £25

---

#### Photoshop Taster Day

Using our digital darkroom, this practical workshop will introduce you to Adobe CS4, the industry standard tool for creative digital imaging. Designed for those with little or no experience; it will cover the scanning and uploading of images, adjustments and preparing files for production of a finished digital print.

**Date:** Sat 4th September  
**Time:** 10.30am - 4.30pm  
**Tutor:** Helen Warburton/Anne Siegel  
**Location:** Chapter, Market Road, Canton, Cardiff, CF5 1QE
